 - 1) With respect to locations within Special Flood Hazard Areas (SFHA), areas of 100-year flooding, as defined by the Federal Emergency Management Agency (if these locations are not excluded elsewhere in this policy with respect to the peril of Flood), the deductible shall be \$500,000 per building per occurrence for Real Property, \$500,000 per building per occurrence for Personal Property, and \$100,000 per building per occurrence for Time Element. However, this deductible shall not apply to ensuing loss or damage not otherwise excluded herein.
 - 2) With respect to any other flood loss, the deductible shall be \$250,000 for any one occurrence.

In the event that the Insured maintains underlying insurance through the National Flood Insurance Program, it is agreed that this policy excludes the peril of flood to the extent of recovery under such National Flood Insurance Policy(s). Should the amount of loss payable under such National Flood Insurance Policy(s) exceed the applicable flood deductible under this policy,

then no deductible shall apply hereunder. However, if the amount to be paid under such National Flood Insurance Policy(s) is less than the applicable flood deductible under this policy, then the amount to be deducted hereunder shall not exceed the difference between the amount to be paid under the Insured's National Flood Insurance Policy(s) and the applicable flood deductible under this policy. Insurance maintained through the National Flood Insurance Program shall be considered Underlying Insurance.

As respects theft, the term Occurrence as referred to elsewhere within the policy means the sum total of all losses of covered property resulting from one or more concealed acts committed by one person or more than one person acting in unison to the extent such loss is not otherwise excluded under this policy.

In the event of loss or damage, the Company(ies) agrees to accept and consider the Insured as sole and unconditional owner of improvements and betterments, notwithstanding any contract or leases to the contrary.
- 2) The interest of the Insured in real and personal property of others in the Insured's care, custody, or control.
- 3) Real and personal property which the Insured is responsible for or has agreed to insure.
- 4) At the option of the Insured, personal property of the Insured's officials, employees and representatives while on the premises of the Insured. This insurance shall then act as primary insurance, except as respects employees' automobiles.

B. Business Interruption

1) Loss resulting from necessary interruption of business conducted by the Insured, whether total or partial, and caused by loss, damage, or destruction covered herein during the term of this policy to real and personal property as described in Clause 7.A.

2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED by the Insured, consisting of the net profit which is thereby prevented from being earned and of all charges and expenses only to the extent that these must necessarily continue during the interruption of business excluding Ordinary Payroll and only to the extent such charges and expenses would have been earned had no loss occurred.

"Ordinary payroll" is defined to be the entire payroll expense for all employees of the Insured except officers, executives, department managers, employees under contract, and other important employees as determined by the Insured.

3) In the event of loss, damage, or destruction covered herein to property as described in Clause 7.A, which results in an interruption of research and development activities which in themselves would not have produced income during the indemnity period, this policy shall cover the actual loss sustained of the continuing fixed charges and expenses, including Ordinary Payroll directly attributable to such research and development activities.

4) However, the Company(ies) shall not be liable under this Clause B. for any loss resulting from damage to or destruction of finished stock nor for the time required to reproduce said finished stock. Finished stock shall mean stock manufactured by the Insured which in the ordinary course of the Insured's business is ready for packing, shipment, or sale.

5) Resumption of Operations: If the Insured, by reasonable means within its control, could reduce the loss resulting from the interruption of business:

- (a) by a complete or partial resumption of operation of the property insured, whether damaged or not; or
- (b) by making use of available stock, merchandise, or other property; such reduction shall be taken into account in arriving at the amount of loss hereunder.

6) Experience of the Business:

(a) In determining the amount of net profit, charges and expenses covered hereunder for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the experience of the business before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real or personal property as described in Clause 7.A.

(b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available experience of the business after completion of the construction, erection, installation, or assembly.

(c) With respect to property under course of construction, delay in opening caused by an insured peril, loss shall be deemed an insured loss for business interruption purposes if the business operations fail to begin on the scheduled completion date existing at the time of insured loss, all other issues being equal. The loss

amount shall be determined by evaluating the actual income experienced after actual reopening and applying said levels of income experienced for the time delay period. The time delay period is equal to the difference between the actual opening date of operation and the scheduled completion date existing at the time of the insured loss.

C. **Extra Expense**

- (1) Extra Expense incurred resulting from physical loss, damage, or destruction covered herein during the term of this policy to real or personal property as described in Clause 7.A.

D. **Rental Value**

- (2) "Rental Value" is defined as the sum of:
 - (a) the total anticipated gross rental income from tenant occupancy of the described property as furnished and equipped by the Insured; and
 - (b) the amount of all charges which are the legal obligation of the tenant(s) and which, because of loss, would otherwise be obligations of the Insured; and
 - (c) the fair rental value of any portion of said property which is occupied by the Insured.
- (3) Experience of the Business:
 - (a) In determining the amount of rental value covered hereunder for the purposes of ascertaining the amount of loss sustained, due consideration shall be given to the rental experience before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real and personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available rental experience of the business after completion of the construction, erection, installation, or assembly.

E. **Royalties**

- (1) Loss of income to the Insured under royalty, licensing fees, management fees and/or commission agreements between the Insured and another party which is not realizable due to loss, damage, or destruction by any of the perils covered herein during the term of this policy to property of the other party.
- (2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED of such income referred to in paragraph 1 above, which would have been earned had no loss occurred.

- (3) Resumption of Operations: The Insured shall influence, to the extent reasonably possible, the party with whom the agreement described in paragraph 1 above has been made to use any other machinery, supplies or locations in order to resume business so as to reduce the amount of loss hereunder, and the Insured shall cooperate with that party in every reasonable way to effect this, but not financially unless such expenditures shall be authorized and paid by the Company(ies).
- (4) Experience of the Business: In determining the amount of income derived from the agreement(s) described in paragraph 1 above for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the amount of income derived from such agreement(s) before the date of damage or destruction and to the probable amount of income thereafter had no loss occurred to real and personal property of the type insured under this policy of such other party.

F. Time Element Extensions

- (1) This policy, subject to all provisions and without increasing the limits of this policy, also insures against loss resulting from damage to or destruction by causes of loss insured against, to:
 - (a) Contingent Time Element and Contingent Extra Expense: property that wholly or partially prevents any direct supplier of goods and/or services to the Insured from rendering their goods and/or services, or property that wholly or partially prevents any direct receiver of goods and/or services from the Insured from accepting the Insured's goods and/or services, such supplier or receiver to be located anywhere within the 50 states comprising the United States of America including the District of Columbia.

There is no liability for any loss resulting from Contingent Time Element and Contingent Extra Expense that is insured under subparagraph identified as Service Interruption (Clause 7.K).
- (b) Impounded Water: dams, reservoirs, or equipment connected therewith when water, used as a raw material or used for power or for other purposes, stored behind such dams or reservoirs is released from storage and causes an interruption of business, not to exceed 30 consecutive days, as a result of lack of water supply from such sources;
- (c) Leader Property: property not owned or operated by the Insured, located within (5) statute miles of the Insured premises, which attracts business to the Insured.
- (2) Interruption by Civil or Military Authority: This policy is extended to cover the loss sustained during the period of time when access to real or personal property is prohibited by order or action of civil or military authority issued in connection with or following a peril insured against within five (5) statute miles of the insured premises and for a period not to exceed thirty (30) days.
- (3) Ingress/Egress: This policy is extended to cover the loss sustained during the period of time when, in connection with or following a peril insured against, access to or egress from real or personal property is prevented within five (5) statute miles of the insured premises and for a period not to exceed thirty (30) days.

G. Provisions Applicable to Business Interruption, Extra Expense, Rental Value and Royalties Coverages

- (1) Period of Recovery: The length of time for which loss may be claimed:

 - (ii.) to restore the interrupted services to the premises and the premises made ready for normal operations when such interruption is caused by an accidental occurrence;
 - (b) and, such additional length of time to restore the Insured's business to the condition that would have existed had no loss occurred, commencing with the later of the following dates:
 - (i.) the date on which the liability of the Company(ies) for loss or damage would otherwise terminate; or
 - (ii.) the date on which repair, replacement, or rebuilding of the property that has been damaged is actually completed;

but in no event for more than 365 consecutive calendar days from said later commencement date;
 - (c) with respect to alterations, additions and property while in the course of construction, erection, installation, or assembly shall be determined as provided in subparagraph (a) above, but such determined length of time shall be applied to the experience of the business after the business has reached its planned level of production or level of business operations;
 - (d) shall commence with the date of such loss or damage and shall not be limited by the date of expiration of this policy or cancellation date.
- (2) Special Exclusions: This section of the policy does not insure against any increase of loss which may be occasioned by the suspension, lapse, or cancellation of any lease, license, contract, or order; nor for any increase of loss due to interference at the Insured's premises by strikers or other persons with rebuilding, repairing, or replacing the property damaged or destroyed, or with the resumption or continuation of business, or with the reoccupancy of the premises.
- (3) Expense to Reduce Loss: This policy also covers such expenses incurred for the purpose of reducing any loss under this policy, even though such expenses may exceed the amount by which the loss under this policy is thereby reduced.

H. **Transit**

- (1) Property in transit within and between the territorial limits of this policy, including the coastal waters thereof, by any means of conveyance, from the time the property is moved for purpose of loading and continuously thereafter while awaiting and during loading and unloading and in temporary storage, including temporary storage on any conveyance intended for use for any outbound or used for inbound shipment, including during deviation and delay, until safely delivered and accepted into place of final destination.

- (1) The monthly average of accounts receivable during the last available twelve months shall be adjusted in accordance with the percentage increase or decrease in the twelve months average of monthly gross revenues which may have occurred in the interim.

- (2) The monthly amount of accounts receivable thus established shall be further adjusted in accordance with any demonstrable variance from the average for the particular month in which the loss occurred, due consideration being given to the normal fluctuations in the amount of accounts receivable within the fiscal month involved.

- (c) "Net Lease Interest" is defined as that sum, which placed at 6% interest compounded annually will be equivalent to the "The Interest of the Insured as Lessee or Lessor."
- (4) The Company(ies) shall not be liable for any increase of loss which may be occasioned by the suspension, lapse or cancellation of any license or by the Named Insured exercising any option to cancel the lease. Furthermore, the Named Insured shall use due diligence including all things reasonably practicable to diminish loss under this clause.

With respect to any Time Element Coverage provided herein, the Period of Interruption ends when: (1) incoming electrical, gas, water, or telecommunications equipment or outgoing sewer or (2) electrical, telecommunications, fuel, water, steam, refrigeration, or other service transmission lines is restored. The sublimit set forth applies to all loss or damage to Insured Property and Time Element Coverage combined arising out of one Service Interruption.

The Insured will immediately notify the suppliers of utilities or services of any interruption of such services.

There is no liability for any loss resulting from the interruption of the business that is insured under subparagraph identified as Contingent Time Element.

G. Consequential Loss

- (2) Stock in process (raw stock which has undergone any aging, seasoning, or other processing by the Insured but which has not become finished stock) shall be valued at the Insured's selling price of finished stock at the time of loss, less any manufacturing expense not incurred by the Insured and less any discounts, rebates, and unincurred expenses to which the sales price would have been subject.
- (3) Finished stock (stock which in the ordinary course of the Insured's business is ready for packing, shipment or sale) and merchandise shall be valued at the Insured's selling price at the time of loss, less all discounts, rebates, and unincurred expenses to which such sales price would have been subject.

However, limitations imposed by federal, state or municipal building codes shall not result in actual cash valuation.
 - a) The Insured may elect not to repair or replace the insured real and/or personal property lost, damaged or destroyed. Loss settlement may be elected on the lesser of repair or replacement cost basis if the proceeds of such loss settlement

are expended on other capital expenditures related to the Insured's operations within two years from the date of loss. As a condition of collecting under this item, such expenditure must be unplanned as of the date of loss and be made at an Insured Location under this policy.

- C. The Company(ies) shall not be liable, however, for any loss caused by any Earthquake or flood commencing before the effective date and time or commencing after the expiration date and time of this policy.

14. ACCIDENT

The term "accident" is defined solely for the determination of the limits of liability and/or deductible(s) and application of the Sue and Labor and Suspension section only. The term "accident" shall not limit or define the perils or coverages provided elsewhere in this policy.

- A. The term "accident" shall mean:

15. CONTRIBUTING INSURANCE

Contributing insurance is insurance written upon the same plan, terms, conditions, and provisions as those contained in this policy. This insurance shall contribute in accordance with the conditions of this policy only with other contributing insurance as defined.

16. EXCESS INSURANCE

Excess insurance is insurance over the limit of liability set forth in this Policy. The existence of such excess insurance shall not prejudice the coverage provided under this Policy nor will it reduce any liability hereunder.

Step Down / Drop Down / Priority of Payments

A. Primary

Any recoveries made under the primary shall first apply to loss or damage not insured against by the excess policy(ies). Upon exhaustion of the primary limit, the excess policy(ies) shall step down and be liable for loss in the excess of the amount attributed to

such policy as respects loss or damage insured thereunder subject to the excess policy(ies) limits.

B. Excess

The amount of loss from any one occurrence, for which this policy is excess, shall be determined by combining the loss, damage or expense as insured under the primary policy.

In the event of loss or damage involving more than one coverage or peril, the Limits of Liability of the underlying policies shall first apply to the coverage(s) or peril(s) not insured by this policy, and the remainder, if any, to the coverage(s) or peril(s) as provided hereunder. Upon erosion or exhaustion of the Limits of Liability of underlying policy(ies), this policy shall then be liable for the loss uncollected from the coverage(s) or peril(s) insured hereunder, subject to the Limit of Liability specified herein.

In the event of reduction or exhaustion of the aggregate limit(s) in respect of flood and/or earthquake designated in the underlying policy(ies), it is hereby understood and agreed that such insurance as afforded by this policy shall apply in excess of the reduced or exhausted underlying limits.

Nothing herein contained shall be held to vary, alter, waive or change any of the terms, limits or conditions of the policy except as herein above set forth.

17. UNDERLYING INSURANCE

- A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.
- B. If the limits of such underlying insurance exceed the deductible amount, which would apply in the event of loss under this policy, then that portion which exceeds such a deductible amount shall be considered other insurance, as defined in the Other Insurance clause.

18. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. The Company(ies) shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

19. SUBROGATION

- A. Any release from liability entered into by the Insured prior to loss hereunder shall not affect this policy or the right of the Insured to recover hereunder. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, or between contractors, subcontractors, sub-subcontractors, and at the option of the Insured against a tenant, vendor, supplier, guest, or customer of the Insured, is waived.
- B. In the event of any payment under this policy, the Company(ies) shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the

expense of the Company(ies) to secure such right. The Company(ies) will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

20. SALVAGE AND RECOVERIES

All salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly. If recovered or received subsequent to a loss settlement under this policy, such net amounts recovered shall be divided between the interests concerned, i.e. the Insured and any other Company(ies) participating in the payment of any loss, in the proportion of their respective interests.

21. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company(ies) shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, to the cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

22. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department.

23. NOTICE OF LOSS

As soon as practicable after any loss or damage occurring under this policy is known to the Insured's Home Office Insurance Department, the Insured shall report such loss or damage to Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210 for transmission to the Assigned Adjuster. Any delay by the Insured in providing notice shall not affect the Insured's right to coverage under this policy, except if and to the extent that the Company(ies) proves that it actually and substantially was prejudiced by any unreasonable delay in notice.

24. PROOF OF LOSS

The Insured, at the request of the Company(ies), will render a signed and sworn proof of loss to the Company(ies) or its appointed representative stating: the place, time, cause of the loss, damage, or expense; the interest of the Insured and of all others; the value of the property involved in the loss; and the amount of loss, damage, or expense.

25. PARTIAL PAYMENT OF LOSS

In the event of a loss covered by this policy, it is understood and agreed that the Company(ies) will issue partial payment(s) of claim subject to the policy provisions, and shall not be less than the undisputed estimate of loss or damage between the Insured and the Company(ies).

26. ASSIGNED ADJUSTER

It is agreed that at the Insured's option, the Company will use:

Michael R. Allen
McLarens
180 Montgomery Street, Suite 2100
San Francisco, CA 94104

for the adjustment of all claims made against this policy. This assignment may be changed by mutual consent of the Insured and the Company(ies). Copies of routine monthly/quarterly reports including reserve amounts to be copied to the Attention of Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210.

27. APPRAISAL

If the Insured and the Company(ies) fail to agree on the amount of the loss, each, upon written demand of either the Insured or the Company(ies) made within 60 days after receipt of proof of loss by the Company(ies), shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of the Company(ies), such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company(ies) within 30 days thereafter. The Insured and the Company(ies) shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire. However, if the award is greater than the amount offered by the Company(ies) in payment of the loss at any time before the award is rendered, then the Company(ies) shall pay 100% of the fees and expenses for each appraiser and the umpire and for the appraisal.

28. PAIR AND SET

Except as provided under the Machinery clause and paragraph (3) of the Consequential Loss clause, in the event of loss or damage insured against to any article or articles which are a part of a pair or set, the measure of loss or damage to such article or articles shall be, at the Insured's option:

- A. the reasonable and fair proportion of the total value of the pair or set, giving consideration to the importance of said article or articles, but in no event shall such loss or damage be construed to mean total loss of the pair or set; or
- B. the full value of the pair or set provided that the Insured surrenders the remaining article or articles of the pair or set to the Company(ies).

29. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with the Company(ies), and, at the Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

30. SUE AND LABOR

In case of actual or imminent loss or damage covered by this policy except imminent loss or damage as respects an "accident", it shall, without prejudice to this insurance, be lawful and necessary for the Insured, their factors, servants, or assigns to sue, labor and travel for, in and about the defense, the safeguard, and the recovery of property or any part of the property insured hereunder; nor, in the event of loss or damage, shall the acts of the Insured or of the Company(ies) in recovering, saving,

and preserving the insured property be considered a waiver or an acceptance of abandonment. The Company(ies) shall pay the expenses so incurred.

31. PAYMENT OF LOSS

All adjusted claims shall be due and payable to 24 Hour Holdings I Corp. no later than 30 days after presentation and acceptance of proofs of loss by the Company(ies) or its appointed representative.

The Company(ies) agrees that any action or proceedings against it for recovery of any loss under this policy shall not be barred if commenced within two years and one day after the Insured provides notice to the Company(ies) in accordance with clause 23 above, which period shall be tolled from the date of notice until the date that the Insured receives the Company's final coverage decision (this two year and one day period is referred to as the "limitations period"). However, the limitations period shall not apply if by the laws of the State of the address of the Insured such a limitation is invalid or if the laws of the state in which any such action is brought permit a longer period of time within which to commence such a suit. Furthermore, any tolling of the limitations period shall not preclude the Insured from bringing a suit or any other proceeding regarding recovery for any loss or of any claim hereunder during the period of tolling or at any other time. Prosecution of a suit by the Insured shall not be barred due to the failure of the Company(ies) to timely advise and notify the Insured of the expiration of any applicable dates to file and commence said suit.

It is agreed that in the event of the failure of the Company(ies) to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, the Company(ies), at the request of the Insured, will submit to the jurisdiction of any court of competent jurisdiction within the United States and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law. The Company(ies) shall not transfer, change venue, or remove, or seek to transfer, change venue, or remove any lawsuit filed by the Insured in any such court.

34. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this policy shall be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate of insurance, except where any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are named pursuant to the Special Provisions of said certificate of insurance. In the event any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are so named, this policy shall be deemed to have been endorsed accordingly, subject to all other terms, conditions and exclusions stated herein.

The Company(ies) hereby authorizes Lockton Companies, LLC to issue certificates of insurance including any Mortgagee, Loss Payee and Additional Insured clauses.

Loss or damage, if any, under this policy, shall be payable to any mortgagee, (or trustee) as designated herein by endorsement or certificate of insurance, as interest may appear, under all present or future mortgages upon the property herein described in which the aforesaid may have an interest as mortgagee (or trustee), in order of precedence of said mortgages, and this insurance, as to the interest of the mortgagee (or trustee) only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title of ownership of the property (provided the insured has an insurable interest in property), nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; provided, that in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee (or trustee) shall, on demand, pay the same.

Provided, also, that the mortgagee (or trustee) shall notify the Company(ies) of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of said mortgagee (or trustee) and, unless permitted by this policy, it shall be noted thereon and the mortgagee (or trustee) shall, on demand, pay the premium for such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

The Company(ies) reserves the right to cancel this policy at any time as provided by its terms, but in such case this policy shall continue in force for the benefit only of the mortgagee (or trustee) for 10 days after notice to the mortgagee (or trustee) of such cancellation and shall then cease, and the Company(ies) shall have the right, on like notice, to cancel this agreement.

Whenever the Company(ies) shall pay the mortgagee (or trustee) any sum for loss or damage under this policy and shall claim that, as to the mortgagor or owner, no liability therefore existed, the Company(ies) shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the mortgage debt, or may, at its option, pay to the mortgagee (or trustee) the whole principal due or to grow due on the mortgage, with interest accrued thereon to the date of such payments, and shall receive a full assignment and transfer of the mortgage and of all such other securities; but not subrogation shall impair the right of the mortgagee (or trustee) to recover the full amount of said mortgagee's (or trustee's) claim.

ADDITIONAL LIMITATIONS AND CONDITIONS ENDORSEMENT (STANDARD)

THIS ENDORSEMENT CONTAINS PROVISIONS IN CLAUSES II, V AND VI THAT MAY LIMIT OR PREVENT RECOVERY UNDER THIS POLICY FOR DEBRIS REMOVAL (AS PROVIDED IN CLAUSE II) AND/OR RESULTING LOSS (AS PROVIDED IN CLAUSE V).

I. LAND, WATER AND AIR EXCLUSION CLAUSE

Notwithstanding any provision to the contrary within the Policy of which this Endorsement forms part (or within any other Endorsement which forms part of this Policy), this Policy does not insure land (including but not limited to land on which the insured property is located), water or air, howsoever and wherever occurring, or any interest or right therein. The foregoing exclusion shall not apply to water which is contained in plumbing or firefighting installations in the Assured's buildings at the time of any damage insured by this Policy.

II. DEBRIS REMOVAL CLAUSE

Nothing contained in this Clause shall override any seepage and/or pollution and/or contamination exclusion or any radioactive contamination exclusion or any other exclusion applicable to this Policy. The inclusion of this Clause shall in no event increase the limit of liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

Any provision within this Policy (or within any other Endorsement which forms part of this Policy) which insures debris removal is cancelled and replaced by the following:

1. In the event of direct physical damage to property, for which Underwriters agree to pay hereunder, or which but for the application of a deductible or underlying amount they would agree to pay (hereinafter in this Clause referred to as "Damage"), this Policy also insures, subject to the limitations below and method of calculation in Clause VI of this Endorsement and to all the other terms and conditions of the Policy, expense:

provided, however, that nothing in this Clause shall insure any expense provided under Clause V of this Endorsement.

2. The maximum amount of expense for removal of debris (subject to the limitations of paragraph 1 above) that can be included in the method of calculation in Clause VI of this Endorsement, shall be our proportion of programme sublimit the greater of US\$5,000,000 (five million dollars) or 25% (twenty-five percent) of the amount of the Damage from which such expense results.

III. SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION EXCLUSION CLAUSE

1. any loss, damage, cost or expense; or
2. any increase in insured loss, damage, cost or expense; or
3. any loss, damage, cost, expense, fine, penalty or other sum which is incurred, sustained or imposed by, or by the threat of, any judgment, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation);

which arises from any kind of seepage or any kind of pollution and/or contamination, or threat thereof, whether or not caused by or resulting from a peril insured, or from steps or measures taken in connection with the avoidance, prevention, abatement, mitigation, remediation, clean-up or removal of such seepage or pollution and/or contamination, or threat thereof.

The term "any kind of seepage or any kind of pollution and/or contamination" as used in this Endorsement includes (but is not limited to):

1. seepage of, or pollution and/or contamination by, anything, including but not limited to, any material designated as a "hazardous substance" by the United States Environmental Protection Agency or as a "hazardous material" by the United States Department of Transportation, or defined as a "toxic substance" by the Canadian Environmental Protection Act for the purposes of part II of that Act, or any substance designated or defined as toxic, dangerous, hazardous or deleterious to persons or the environment under any other law, ordinance or regulation; and
2. the presence, existence, or release of anything which endangers or threatens to endanger the health, safety or welfare of persons or the environment.

IV. LISTED PERILS RESULTING FROM SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION CLAUSE

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion applicable to this Policy. If any of the perils listed below results from seepage and/or pollution and /or contamination, then such resultant perils shall not be excluded solely by the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause.

Listed perils

Fire,
Explosion.

Nothing in this Clause, however, shall extend this Policy to insure:

1. loss, damage, cost, expense, fine or penalty, or other sum arising from any kind of seepage or any kind of pollution and/or contamination that causes or results from a listed peril; or
2. loss or damage at any premises other than the premises where the listed peril took place; or
3. property and/or interests other than those insured by this Policy against the listed perils.

V. LIMITED SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION RESULTING FROM PHYSICAL DAMAGE CAUSED BY LISTED PERILS CLAUSE

THIS CLAUSE IS VOID AND OF NO FORCE OR EFFECT UNLESS AN AMOUNT IS SPECIFIED IN PARAGRAPH 2 BELOW.

This Policy is amended as set forth below. All other terms and conditions of this Policy remain unchanged and continue to apply with full force and effect. Nothing contained in this Clause shall override any radioactive contamination exclusion or, except as set forth herein, the foregoing Seepage and/or Pollution and/or Contamination Exclusion Clause. The inclusion of this Clause shall in no event increase the limit of liability of Underwriters under this Policy or any other endorsement applicable to this Policy.

1. If,

- (a) any of the perils listed below is the sole, immediate and direct cause of physical damage to property insured by this Policy against such listed peril (hereinafter in this Clause referred to as "Original Damage"); and
- (b) the Original Damage is the sole, immediate and direct cause of seepage onto, and/or pollution and/or contamination of property which is:
 - (i) at the same premises as the Original Damage; and
 - (ii) insured by this Policy against the listed peril causing the Original Damage; and
- (c) said property is damaged thereby (hereinafter in this Clause referred to as "Resulting Damage");

then this Policy, subject to the following additional terms and limitations and the method of calculation in Clause VI of this Endorsement, also insures:

- (d) the Resulting Damage; and
- (e) the reasonable and necessary expense incurred by the Assured for debris removal and/or clean-up which is:
 - (i) limited to the same premises as the Original Damage; and
 - (ii) made necessary solely by the Resulting Damage;

but which shall in no event include any expense of clean-up or removal of land, water or air,

(which Resulting Damage and expense of debris removal and/or clean-up, hereinafter in this Clause are referred to as "Resulting Loss");

provided, however, that this Policy only insures the Resulting Loss where:

- (f) Underwriters have agreed to pay for the Original Damage or, but for the operation of a deductible or underlying amount, would have agreed to pay for the Original Damage; and
- (g) within one year of the commencement of the listed peril which caused the Original Damage, the Assured became aware and advised Underwriters of the amount of:
 - (i) the Resulting Loss; and

- (ii) any other interest to be claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise.

Listed Perils

Fire,
Lightning,
Explosion.

Nothing in this Clause, however, shall extend this Policy to cover any condition that existed prior to the Original Damage nor to insure any loss, damage, cost, expense, fine, penalty, or other sum which is incurred, sustained or imposed by, or by the threat of, any judgment, order, direction, instruction or request of, or any agreement with, any court, government agency, any public, civil or military authority or any other person (and whether or not as a result of public or private litigation) in connection with any kind of seepage or any kind of pollution and/or contamination from any cause.

2. The maximum amount for any Resulting Loss and any other interest claimed under this Policy as a result of the Resulting Damage, whether physical damage, business interruption, extra expense or otherwise, that can be included in the method of calculation in Clause VI of this Endorsement is our proportion of programme sublimit \$2,000,000.

VI. METHOD OF CALCULATION

In calculating the amount, if any, payable under this Policy for a claim including expense of debris removal (as provided for and limited in Clause II of this Endorsement) and/or Resulting Loss (as provided for and limited in Clause V of this Endorsement), the amount of such expense of debris removal and/or such Resulting Loss shall be added to:

- (a) the amount of the Damage (as defined in Clause II) or the amount of the Original Damage (as defined in Clause V); and
- (b) all other amounts, if any, insured under this Policy as a result of the same occurrence that Underwriters hereon agree to pay or, but for the application of a deductible or underlying amount, they would agree to pay;

then the resulting sum shall be the amount to which first all deductibles and then any underlying amounts to which this Policy is subject shall be applied and the balance, if any, shall be the amount payable, subject to all other provisions of this Policy and to the applicable limit(s), sub-limit(s) and aggregate limit(s).

APPLICATION OF SUBLIMITS ENDORSEMENT

1. **Application To Insured Interests.** Each sublimit stated in this policy applies as part of, and not in addition to, the overall policy limit for an occurrence insured hereunder. Each sublimit is the maximum amount potentially recoverable from all insurance layers combined for all insured loss, damage, expense, time element or other insured interest arising from or relating to that aspect of the occurrence, including but not limited to type of property, construction, geographic area, zone, location, or peril.
2. **Application Within Perils.** If insured under this policy, any sublimit for earthquake, earth movement, flood, windstorm, named storm, or named windstorm is the maximum amount potentially recoverable from all insurance layers combined for all insured loss, damage, expense, time element or other insured interest arising from or relating to such an occurrence. If flood occurs in conjunction with a windstorm, named storm, named windstorm, earthquake or earth movement, the flood sublimit applies within and erodes the sublimit for that windstorm, named storm, named windstorm, earthquake or earth movement.
